EDITORIAL

FIVE CANDLES

In April 1958 in the maternity ward of a local printing shop, the Griesbach Association gave birth to a gangling infant with mottled complexion and a desire for expression and named it "The Griesbach Growler". It had more than the average number of parents and required better than the average nursing to ensure its survival through the trying ordeal of growing pains.

For the first couple of years it weathered the turbulence of a newborn youth with little event, but with feminine moodiness changed slightly in format and in name to "The Griesbach Bugle". Now at the age of five years, it has acquired the expensive taste of approximately five thousand dollars per year and has grown to assume a responsible position in the community. Its need for

continued nursing is one of its constant demands together with a diet of voluminous words, photos and, the root to all evil — money.

This child of necessity, observing its fifth anniversary this month, was created to serve the residents of Griesbach in any reasonable capacity they saw fit.

In many respects it has fulfilled its obligations well and is fully aware of the room for improvement.

However, any improvements can only come through the interest and suggestions of its readers — with due consideration to economy.

If the assistance proffered by many in the past continues, there is no doubt that its next birthday will find it in a very healthy state and doing business at the same stand.

FIRE CALLS

January 27, 2230 hrs., 150 Ave. and 101 St. Precautionary run.

February 19, 1533 hrs., No. 2 School. False Alarm.

February 7, 1250 hrs., 137 Ave. and 112 St. Light fixture.

February 22, 1043 hrs., 152 Ave. and 104 St. False Alarm.

February 8, 1715 hrs., 138 Ave. and 101A St. Rescue.

February 23, 1204 hrs., 146 Ave. and 104 St. False Alarm.

Named Chairman

Major R. R. Buckley, CD, Officer Commanding 13 Works Company RCT, has been named Chairman of the Griesbach Association to succeed Major J. D. Johnston on posting to Camp Borden.

Major D. K. Johnstone, Public Relations Officer Western Command has been appointed Deputy Chairman for the current term.

A Letter to Parents

DETACHMENT

Dear Parents:

Now that spring is on the way once again, we would like to warn parents regarding the hazards of their children and bicycles. Before little Johnny or Jane is allowed to ride his or her bicycle make sure he or she knows and understands the following safety rules.

- * Obey all traffic signs and regulations (they are there to help you).
- * Always ride on the right hand side of the road.
- * Always ride in single file on the road, never side by side.
- * Stop before entering into street from your lane or driveway.
- * At busy corners get off and walk your bike.
- * Always give the correct hand signals before you stop or turn.
- * Always carry parcels and books in a carrier never ride with one hand.
- * Never ride two on a bike.
- * Never hang onto other moving vehicles.
- * Do not stunt ride on streets or highways.
- * At night be sure you have a light both front and rear.
- * Always keep your bike in good repair. Especially the brakes.
- * Always park your bike standing up and when you leave it make sure it is locked.
- * Make sure that Daddy has copied down the serial number of your bike in case it gets lost.

The Library Corner

The new library has been in operation now for six weeks and the response has been indeed gratifying to your library staff. We have registered over three hundred new members so reading appears to be on the increase in Griesbach. There has been a great interest in both the new publications and the older and more well-known works.

Every effort is being made to acquire copies of all current 'best sellers', fiction and non-fiction but your suggestions and requests are welcomed on any book. Please make use of our suggestion book and let us know your preference. We would like

to be of help also to all hobbyists and various clubs such as stamp, coin, tropical fish, sports, etc. TELL US YOUR NEEDS. By the way, Scott's 1963 stamp catalogue, both volumes, is expected daily.

Many thanks to the following for their donations during the past month: Cpl. Irvine, S. MacPherson, Mrs. C. West, Sgt. J. Copeland, Sgt. R. J. McCormick, Mrs. H. A. Jeffrey, Marlene Comeau, and one anonymous.

Sorry we have no reliable books on election predictions but will have one for sure next month.

The Bookworm

Is the Easter Bunny Real?

"Way back when I was seven — I was much inclined to doubt — That a real Easter bunny — Went hopping all about. I looked out of the window — — through old-fashioned lace — and there I saw a bunny. Sure. Saw him face to face. His white fur coat was thick and warm. His eyes were big and pink. Tail and ears were purest white. And then I stopped to think. He looked me straight in the eye, and then — I heard a small voice say — "If I'm not real, where did you get that basket of eggs today?"

— D. P. Seidel.

Griesbach Council Briefs

Acknowledgement was made in our column to the people who organized a skating party and record hop. The names listed as Lt. and Mrs. Dick Reed should be Lt. and Mrs. E. Digweed. Our sincere apologies.

Meetings of the Griesbach Council were held on 25 February, 1963 and 18 March, 1963. This report covers both meetings.

Maj. Johnson opened the 24 Feb. meeting by announcing that due to his surprise posting to Camp Borden, Maj. Buckley had been appointed Council Chairman with Maj. Keith Johnstone, the Public Relations Officer, as deputy Chairman.

The following now constitute the Council executive: Major R. R. Buckley, Chairman; Maj. D. K. Johnstone, Deputy Chairman; GSM (WO 1) R. Jackson, Secretary; Mr. H. Dales, Treasurer, Lt. M. D. Manduk will assume the post of treasurer on 1 Apr. 63.

Council was advised that ballet classes are in operation and that 12 Griesbach children will be taking the Royal Academy tests this year. The ballet class has regularly supplied contestants

on the TV programme "Calling All Children".

The Community Library has been reopened, and now has the additional area which was previously occupied by the bank. A drive for books is underway and your support is solicited. Thanks of the Council are extended to all who assisted in preparation for reopening. New shelves are required for the Library and council will investigate this matter.

The YMCA Youth Programme (Tri-Hi-Y) is now underway with Capt. Sibley as supervisor. Due to the large measure of acceptance by parents, church, teachers and particularly by the Youth of Griesbach, the council decided to subsidize this programme. Council will provide \$1.50 per member with the member paying \$1.50. This covers the total cost of \$3.00 per member.

Approximately 250 children up to the age of 10 attended a party during which toboggan races over an obstacle course were held. A good time was had by all. The cost to the council was \$7.50.

27,000 Alberta Students Afforded Education by Queen Elizabeth Scholarship Fund

The Students' Assistance Board, of the Alberta Department of Education, estimates that by the end of the current fiscal year almost 27,000 Alberta students will have received financial aid through awards and loans under the Queen Elizabeth Education Scholarship Fund.

Total outlay of the fund in awards and grants, since its inception to March 31, 1963, is expected to exceed \$6,000,000.

The fund was named to commemorate the visit to Alberta of Her Majesty Queen Elizabeth in July, 1959. A previous session of the Alberta Legislature had already established the fund to ensure that no needy student with even a moderately good average will be barred from higher education through lack of finances.

Administered by the Students' Assistance Board the fund makes available to eligible Alberta students:

- ★ Province of Alberta scholarship to university students;
- ★ Grants to university students;
- ★ Loans to university students;
- ★ Tuition grants to students enrolled in the Faculty of Education;
- ★ Fellowships, scholarships, grants and loans to students enrolled in the Faculty of Graduate Studies at the University of Alberta;
- ★ Loans, grants and prizes to Vocational Students;
- ★ Bursaries to high school students;
- ★ Grants to student nurses;
- ★ Bursaries to students at the Banff School of Fine Arts.

Outlay by the fund this fiscal year, according to the Students Assistance Board, was \$1,000,000 in scholarships and grants and \$750,000 in student loans.

Loans are based on academic standing and financial need and may be awarded separately or in conjunction with scholarships or grants. A student may borrow up to \$1,500 during his course. Loans are repayable at the minimum of \$200 a year following graduation or withdrawal. Simple interest at 3½% is charged from the date of graduation or withdrawal.

Provision is made under the fund for vocational loans to be partly repaid by academic achievement. Students at the Provincial Institute of Technology and Art may borrow up to \$750 in any school year. A student standing in the top quarter of his class may have 75 per cent of his loan, or \$300, whichever is less, converted to a grant. A student standing in the second highest quarter of his class may have 50 percent of his loan, or \$200, whichever is the less, converted to a grant.

To be eligible for any type of assistance under the loan, a student — with the exception of students enrolled in the Faculty of Graduate Studies — must be a bona fide resident of Alberta.

First year students who have matriculation averages of 60 or better, and undergraduates students who have averages of 50 or better, may apply for loans up to \$400 in any year. Assistance under the fund is also available to students who are registered or about to register in a course of studies at a junior college estab-

lished pursuant to The Public Junior Colleges Act. Students enrolled at any college or university approved by the Students Assistance Board, when the undergraduate course being taken is not available at the University of Alberta, are also eligible to apply for assistance.

The 600 Province of Alberta scholarships awarded under the fund each year go to matriculation students who have averages of 75 or better; and to undergraduates who, in the previous year, averaged 75 or better. In a case where the number of applications exceed the available scholarships, the awards are made to the top 600 applicants on the basis of averages attained.

Application forms and full information on available student assistance under the Queen Elizabeth Education Scholarship Fund can be obtained from: The Secretary, Students Assistance Board, Department of Education, Edmonton.

(Extracted from "Within Our Borders")

POSTED TO COMMAND HQ

Captain F. D. Rumsey, CD, of Calgary and Winnipeg, will be posted to HQ RCOC Western Command, Edmonton, on his return from Egypt in April.

An officer of the Royal Canadian Ordnance Corps, Capt. Rumsey was commended for meritorious service in May, 1952, for his part in rescue operations following the crash of an RCAF aircraft at Calgary when he was serving with the Princess Patricia's Canadian Light Infantry.

New Commander for Manitoba Area

Brigadier H. W. Sterne, DSO, MBE, CD, of Brantford, Ont., will be appointed Commander, Manitoba Area, on his return to Canada in July. He is now Senior Military Adviser for the Military Component, Canadian Delegation to the International Truce Supervisory Commission in Laos.

Brigadier Sterne succeeds Brigadier J. E. C. Pangman, DSO, ED, CD, of Toronto as Commander, Manitoba Area. Brigadier Pangman will retire from the Regular Army this summer after a military career that dates back to the Non-Permanent Active Militia prior to the Second World War.

RCOC 60th ANNIVERSARY

One of the Canadian Army's oldest corps celebrates its Diamond Jubilee this year. The Royal Canadian Ordnance Corps on July 1 will be 60 years old. Because the date conflicts with Dominion Day celebrations the Corps will note its birthday mainly during the weekend of June 21 to 23.

Highlight of the celebrations will be "open-house" activities at all major RCOC installations across Canada on Saturday, June 22. Other activities include dinners, dances and church parades.

Wherever possible the Queen's representative will be invited to take the salute at combined Regular Army-Militia parades as Her Majesty Queen Elizabeth II is the Colonel-in-Chief of the Corps. All activities will include the Regular Army, the Militia and members of the RCOC Association.

The birthday celebrations will be world-wide as RCOC soldiers are serving in Germany, Egypt, the Congo, Indo-China, the United States and in the United Kingdom.

Schedule Brigade Training

OTTAWA — The Ontario-based 2nd Canadian Infantry Brigade Group, 4,800 strong, will make a four-day trek to Camp Gagetown, N.B., again this year for summer manoeuvres with New Brunswick's 3rd Canadian Infantry Brigade Group.

Advance elements of the formation's 16 units will move into the 427-square-mile training area late in May to prepare sites for the main troops to arrive during the first week of June. The move will be carried out in some 1,350 vehicles.

Commanded by Brigadier A. J. B. Bailey, of Duncan, B.C., the brigade will begin training on sub-unit and unit level in mid-June and wind up its maritime training tour in late July with a week-long mock war under the direction of Major-General R. W. Moncel, East-

ern Command's General Officer Commanding.

This year, as in past years, the soldier will fend for himself against the elements using only rubberized ground sheets (ponchos) for shelter. It's not that the Army hasn't got tents — it's just that few tents are used in theatres of war and the field soldier must get used to as warlike conditions as possible.

Named MA to CGS

Lieut.-Col. L. A. Bourgeois, of Moose Jaw, Sask., has been appointed Military Assistant to the Chief of the General Staff, succeeding Lieut.-Col. C. H. E. Askwith of Montreal.

An officer of The Queen's Own Rifles of Canada, Lieut.-Col. Bourgeois was a general staff officer,

TO CONGO

EDMONTON — Captain E. G. Pescod of Calgary will be posted to No. 57 Signal Unit in the Congo in mid-April.

An officer of the Royal Canadian Army Pay Corps, Capt. Pescod has been institutes accounts officer with Western Command headquarters in Edmonton since 1961.

1st grade, in the Directorate of Military Training at Army Headquarters. He is succeeded in this appointment by Lieut.-Col. A. M. Reid, of Toronto, who was a Deputy Director of Electrical and Mechanical Engineering.

Lieut.-Col. Askwith, of The Black Watch (Royal Highland Regiment) of Canada, has been appointed a general staff officer, 1st grade, in the Directorate of Military Training.

To Repeat Colorful Ceremony

The daily Changing of the Guard ceremony on Parliament Hill by members of the 2nd Battalion The Canadian Guards will begin its fifth summer on June 30th. It will continue until Labor Day September 2nd.

The colorful spectacle of the Guards in their scarlet and blue uniforms and the traditional bearskin headdress drew audiences estimated at a total of half a million last summer.

While the Changing of the Guard ceremony takes place on the lawn in front of the Peace Tower every day at 10:00 a.m., the actual guards are mounted in sentry boxes at the entrance to Government House on Sussex Drive.

The regimental band and the pipes and drums of the 2nd Battalion will participate in the ceremony.

DEPENDENTS VOTING BOOTH IS LOCATED AT NO. 1 SCHOOL GRIESBACH AND OPEN ON APRIL 8th FROM 8:00 A.M. TO 7:00 P.M. VOTE AS YOU PLEASE, BUT PLEASE VOTE!

Bugle Food Service Monthly Recipes

Make Your Easter Centre Piece Attractive With Glazed Ham

When buying a ham, be sure you know its weight. If it is to be glazed, be sure it is covered with an even layer of fat.

Wipe the ham clean, using a dampened cloth. Carefully slit the skin the full length of the shank on the inside to prevent the skin and the fat on the top of the ham from bursting. This is important if a smooth, even layer of fat for scoring is desired.

A meat thermometer is a great help in baking perfectly. To insert it properly, make a hole from the top side through to the center of ham using a large metal or wood skewer or an ice pick. Be sure bottom of hole is not on bone or in a pocket of fat. Push thermometer down into hole carefully.

Place ham, fat side up on rack in open roasting pan, and cover with a piece of clean brown wrapping paper or foil, tucking it well down at the sides. Place in an oven pre-heated to 300°F. to 325°F. moderately slow, and bake in an uncovered pan, allowing 15 to 25 minutes to the lb. Regular hams will require the full 25 minutes, but the new tender hams need only 15 to 18 minutes to the lb. The internal temperature registered by the meat thermometer should be 170°F. for regular hams, 160°F. for tender hams. (Tender hams differ in the degree of tenderness. Carefully study directions coming on the tag with the ham before cooking).

To ascertain the exact cooking time, multiply weight of ham by recommended number of minutes per lb. One half hour before ham is done, remove from oven, lift off foil or paper covering.

Cool enough to handle comfortably, carefully remove skin, if any. If no skin, shave off the paper-thin layer of browned fat to obtain a white surface. Keep fat smooth on surface and uniform depth. Score nearly making squares, diamonds or triangles of a size to suit your fancy, but being cautious not to cut through to the lean.

Stick cloves into centres or at corners of scored designs according to your whim. Put brown paper into sifter, sift it evenly all over the fat, tilting ham sufficiently to obtain uniform coating of sugar. Lay ham on rack in roasting pan. Drizzle honey or corn syrup in a fine stream all over sugar. Return to moderate oven 375°F. to glaze and brown appetizingly, from 30 to 45 minutes if ham is cold when returned to oven, it requires more time to glaze.

Calla Lily Garnish for the above Glazed Ham

Cut this slice from large white or yellow turnip and trim to make slightly pointed on one side. Cut slender cone-shaped stamen from carrot, slightly shorter than diameter of the turnip slice, and place on turnip slice with point toward pointed side of slice. Wrap turnip slice around large end of stamen; fasten with toothpick. Place in ice water until ready to serve.

Other Garnishes that can be used with Ham are:

- * Blanched almonds around candied cherry, candied peel in center.
- * Poached orange slices with center stuck full of whole cloves.
- * Slice of pineapple topped with candied cherry halves.
- * Quarters of candied cherries arranged as petals, with almond centers.
- * Diamonds of candied peel studded with cloves, candied cherry center.
- * Daisy in profile — blanched almonds, candied cherry center, angelica stem.

GRIESBACH COUNCIL BRIEFS

Continued from Page 2

FROM THE EDMONTON PROVOST

A Band concert by the PPCLI Band has been held at both schools. Capt. Jeffries, Director of Music of the PPCLI Band, has volunteered to form a band and teach instruments. No details of this project were available but will be investigated.

It was suggested that band concerts by the PPCLI Band should be arranged. The Director of Music proved to be in favour of the idea and it was decided to request a concert for one Sunday evening on a trial basis. Details will be advised when arrangements are finalized.

At a previous meeting it was decided that a charge of \$3.00 would be made for those boys participating in council-sponsored activities if the boys' parents were not contributing to the Griesbach Association. It was announced that a few such boys participating in hockey have not yet made their \$3.00 payment. Letters will be forwarded in an attempt to rectify. It is not the wish of the council to restrict participation in activities, however, a considerable proportion of money spent on equipment, etc., that is used by participants is provided from residents' contributions. Unless the charge is made for offspring of non-contributors, these are in fact being partially subsidized by those who do contribute.

At the meeting on 25 Feb. 63, the school book rental system was discussed and it was suggested that commencing in the fall, an extra charge should be made when the family renting school books are not contributors to the Association. No decision was made but the subject was again raised at the Mar. 18, 63 meeting.

Capt. Daniels advised that due to the wide variety of courses that will be available, the book requirement for next year will increase considerably. After detailed discussion, Capt. Daniels was authorized to investigate further and if necessary to increase the present rental rate of \$10.00 in an attempt to make this system self-supporting. The cost of these books retail is as follows:

Grade 10	\$30	— \$35
Grade 11	\$27	— \$32
Grade 12	\$25	— \$30

Every effort will be made to keep the rental rate below \$12.00.

In response to a suggestion that trampoline be installed in the playground areas, Mr. Dales investigated and advised the cost for suitable equipment would be

\$500 to \$600 each. The installation of this equipment would more than double the cost of the liability insurance covering the playgrounds. It was decided not to install trampolines at this time.

A request from the hockey league for funds to supply the players with crests and to supply six miniature trophies was presented by S/Sgt. Turnbull. This request was approved and a vote of thanks was extended to S/Sgt. Turnbull for the considerable amount of work he has put into the Hockey Leagues.

The cartoon show put on by the Brooke Bond organization proved a success with approx 700 children present.

It was suggested that a more practicable method of collecting residents' contributions may be on a bi-annual basis at the rate of \$3.00 every six months. Council members will poll their units to determine acceptability of this proposal.

Considerable discussion on the provision and financing of a covered skating rink was held. This will be investigated.

The Snack Bar will close on April 2nd for remodelling and will reopen on April 9th as a sundries outlet. Recognizing the need for a recreational centre for the young adults, the council proposed the procurement of a new building to be located near the library. The Griesbach Young People's Association will be approached for their views on this building.

The Griesbach Fair will be held

CANADIAN CONTRIBUTIONS ENLARGE HOSPITAL

GAZA, Egypt — The largest welfare scheme ever undertaken by Canadian servicemen overseas — the 1960 Christmas gift of a maternity hospital and a well-baby clinic for Palestinian refugees — is being greatly enlarged by further donations of more than \$13,000. Located at Khan Yunis in the Gaza Strip, just a few miles from the main Canadian camp of the United Nations Emergency Force, the medical centre is operated by the U.N. Relief and Works Agency.

An outpatient clinic to handle an estimated 60,000 medical examinations a year is due for completion by June 1. It is being built from a Canadian "Save the Children" Fund donation of \$11,000.

To be ready at the same time are two rooms to provide facilities for the examination of children and pregnant women, being built from the Alice Lalande Memorial Fund of about \$1,075 contributed by her friends. She was a Canadian U.N. official who died in the 1961 aircraft crash that also took the life of U.N. Secretary-General Dag Hammarskjold and had worked here before going to U.N. headquarters in New York.

A further \$1,000 donation, made last month by Canadian soldiers with the U.N. Emergency Force, is being used to install a new generator for electric light, build a laundry room, complete a tiling project and to make other improvements.

The original centre, designed by Canadian Army engineers and built by them with local labor replaced a ten-year-old temporary structure which had to be closed due to an outbreak of infant tetanus. Canadian servicemen started the project in 1960 with a donation of \$6,000.

A white single-storey structure with a 12-bed ward, an office, medical inspection room, kitchen and showers, it was officially opened in July, 1961. Just outside the entrance, a bronze plaque embossed with a large maple leaf and "Canada", tells in English and Arabic the story of its origin.

The building, visited two or more times monthly by Canadian servicemen bearing gifts of candy and food, has served as a model for clinics built in other Gaza Strip refugee camps. Since its opening, more than 1,200 children have been born in the centre. A Swedish Field Nursing Services Officer, Miss G. Karnstrom, supervises the work of local doctors, nurses and other staff.

I always call home at noon! I've found it's easier to take half a day's complaints at a time!

New construction, at left, marks the enlargement of the Khan Yunis maternity centre donated two years ago to Palestinian refugees by Canadian servicemen with the UN Emergency Force. Further dona-

tions to enlarge and renovate the centre came from the Canadian Save the Children Fund (\$11,000), the Alice Lalande Memorial Fund (\$1,077) and Canadian soldiers now in Palestine and Egypt (\$1,000).

Junior Hi-Y Comes To Griesbach

Jr. Hi-Y clubs have begun for 50 Griesbach boys and girls ranging from 11 - 15 years of age. Miss Eleanor Logan of the West Edmonton YMCA Youth Program is supervising the program. Group leaders are Mrs. R. Appleton, Mrs. G. Debney, Mrs. D. Ross, Mr. Hugh Hughes and Mr. Greg Chisholm.

The Edmonton YMCA specializes in the kind of clubs started at Griesbach. These Y clubs give youth an opportunity to select their own activities, organize the administration and execution of the chosen activities and provide their own leadership under the guidance of adult advisors. Club activities range from educational and service projects to hobbies, panel discussions, special interest groups, sports and parties. Whatever the activity, Christian ideals are kept in the foreground and opportunity is provided for the adults of tomorrow to receive training in leadership, co-operation and assuming responsibility.

Griesbach Community Association is paying half of the \$3.00 membership fee. Membership is limited in the present clubs. If popular, however, the groups will be extended upon reorganization in the fall. If you have an interested youngster, phone 479-5173.

Hold Second Banff Ski Meet

EDMONTON—Army competitors from Western Canada and four members of the RCAF from Cold Lake, Alta., held a three-day ski meet in Banff, Alta., from March 4 to 6.

It was the second annual ski meet held by eight western clubs of the Canadian Army Ski Association competing in slalom, downhill and cross-country events. Perfect skiing conditions on Sunshine Mountain contributed to a successful meet.

Capt. D. G. Wallace of the 1st Battalion, Princess Patricia's Canadian Light Infantry, Victoria, B.C., came first in the slalom event with L. A. C. Pete Martin, RCAF, Cold Lake, Alta., and L/Cpl. R. H. Anderson, 2nd Battalion, PPCLI, Edmonton, Alta., coming a close second and third respectively.

Winners of the downhill event were Lance Corporal L. O. Berg, Lance Corporal R. H. Anderson, both 2nd Battalion PPCLI, Edmonton, and Capt. J. E. Jarvis, Canadian Joint Air Training Centre, Rivers, Man.

LCpl. Andersen headed the 2 PPCLI cross-country team and took first place in this event. He and his teammates, Pte. D. I. Holopanien, Pte. E. LaVallee and Pte. E. J. Johansen took the team trophy.

The Calgary Garrison ski club racked up the most team points to take both events.

Major General J. M. Rockingham presents the Western Command Annual Ski Meet Cross-country Team Championship Trophy to L/Cpl. R. H. Andersen, 2nd Battalion, Princess Patricia's Canadian Light Infantry, who accepts on behalf of the winning Griesbach Garrison Ski Club. Lieut.-Col. R. D. Watson looks on.

L/Cpl. L. O. Berg, 2 PPCLI, accepting the trophy for top man in the downhill event from Major General J.M. Rockingham.

AWARD R.C.A.F. LIFEGUARDS

RCAF Station Namao, Alta. — Group Captain W. K. Carr, commanding officer, receives for safekeeping the Royal Life Saving Society award from Leading Aircraftman Derek Monro of 12001 - 87 St., Edmonton. As president of the 24-member RCAF Lifeguard Club, LAC Monro received the award at the annual meeting of the Alberta Branch, R.L.S.S., in Edmonton. The trophy, donated by Calgary YWCA, is awarded annually to the Alberta club with the most members maintaining "Award of Merit" standard. The RCAF Lifeguard Club, a voluntary organization, provides lifeguards and swimming instruction at the Namao and Kingsway pools, and gives water-safety demonstrations to the public throughout the province.

WIN GRAND CHALLENGE TROPHY

Winner of the "A" Event first prize and Grand Challenge Trophy donated by Security Storage in the Ladies' Curling Association Bonspiel was the Lancaster Park rink. Skipped by Joyce Lothian, she is pictured above receiving the trophy from Lt.-Col. R. G. Hitchman, Officer Commanding 17 Regional Ordnance Depot, together with her team mates Jean Crozier, Terry Brooks and Eunice McLay.

Alberta Area Curling Champs

A rink from Camp Wainwright, Alta., won the Alberta Area curling championship over six other Army rinks from Calgary, Edmonton and Camp Wainwright. They will now compete in the Western Command Army curling bonspiel at Camp Shilo, Man., March 20th to 22nd. Here, Capt. Bruce Kinder, third, receives the championship trophy from Major P. J. Werth, deputy-assistant quartermaster-general for Alberta Area. From left are S/Sgt. Richard Embury, lead; Sgt. Marcel Simonin, second; Capt. Kinder, third; Capt. Kinder, skip, and Maj. Werth.

(National Defence Photo) March 20, 1963

Stage Boxing Championships in Quebec City

Fists will fly and leather will pop at Quebec City when the Canadian Army stages its annual boxing championships during a five-day tournament beginning on April 1st.

Finalists will battle it out at Quebec Coliseum April 5th.

Hailing from the four Army commands across Canada the boxers represent both novice and open classes in each fighting weight.

Elimination bouts will be held during the first four days at Camp Valcartier leaving two competitors in each weight and class to fight it out for the championship on the fifth day.

The weights in both novice and open classes are: flyweight, 112 lb.; bantam, 119; feather, 125; light, 132; light welter, 139; welter, 147; light middle, 156; middle, 165; light heavy, 178; heavy, over 178.

Army boxing rules conform to those of the Amateur Athletic Union of Canada and the International Amateur Boxing Association.

Boxing is encouraged throughout the Army to develop physical fitness and self-reliance among its soldiers.

So successful have these tournaments been that Army boxers have participated in the Dominion Boxing Championships and represented Canada at the Olympic Games.

Included among the distinguished guests at the tournament will be Lieutenant-General Geoffrey

Walsh, Chief of the General Staff and Major-General Frank J. Fleury, General Officer Commanding Quebec Command.

Griesbach Boys' Hockey Association

Our hockey has now been completed for the season. Listed below are team standings in all three leagues.

All leagues had a good season considering the poor weather for outdoor hockey.

We would like to take this opportunity to thank all the people who willingly put in many hours coaching, refereeing and transporting the boys to the gardens and RCAF Station Namao.

Due to the mild weather early in March we were unable to use our PMQ rink for semi-final and final games. All semi-final and final games were played at RCAF Station Namao.

We would like to thank the RCAF Station Namao Sports Committee and in particular F/L Bob Avery, Chairman of the Namao Recreational Committee and Don Kelly (RCAF) who assisted us in every way possible to ensure we were able to complete our final games.

League Standings — A League

HOCKEY SEASON OVER FOR "C" LEAGUE

The four teams comprising "C" League of the Griesbach Boys' Hockey Association, the Comets, Cougars, Flyers and Totems, have completed their 62/63 schedule with the Flyers coming out on top of the heap. The combination of inclement weather and an early thaw permitted only eleven games to be played during the regular schedule.

Team standings at season's end are as follows:

Games								
	Played	W	T	L	GF	GA	Penalties	Points
FLYERS	11	7	3	1	37	13	5	17
TOTEMS	11	5	2	4	18	24	5	12
COMETS	11	4	3	4	24	13	3	11
COUGARS	11	2	0	9	11	41	4	4

The ten top scores were:

Richard Couture (Flyers) 25 points; Ricky Harris (Comets) 12 points; Tom Thompson (Flyers) 11 points; Billy Harris (Comets) 10 points; Larry Scruton (Totems) 7 points; Ricky Ryall (Totems) 6 pts.; David Comeau (Flyers) 6 points; Tom Rixon (Totems) 5 points; Richard Johnston (Cougars) 5 points; Michael Anderson (Totems) 5 pts.

Individual award winners for the season were announced as Richard Couture, High Scorer and Leonard Slade as Best Goalie.

Flyers	17
Totems	12
Comets	11
Cougars	4

Griesbach Curling Club

The two local rinks found the going tough in the Alberta Area Championships as neither was able to win a berth in the Command Championships at Camp Shilo. The rink skipped by Cpl. Southwood bowed out of the competition early but the Loudon rink persisted to the extent that a three-way play-off was required with rinks from Wainwright and Calgary. After close, hard fought game the Alberta Area Champion team was the Capt. Kinder rink, skipped by Sgt. Jamieson, from Wainwright. The second team to win the trip to Shilo was the Sgt. Willerton rink from Calgary.

Four of our local curlers had the thrill of obtaining the "hole-in-one" of curling on 9 Mar., 63 while curling in the 2nd annual RCEME bospital in Wainwright. The happy quartet, from skip to lead, are Cpl. Cunningham, Capt. Brown, Sgt. Marriott and Major F. E. Cooper, all of HJ 13 Coy. RCEME.

An Easter weekend bospital is planned to wind up the curling for the season. At least one lady must be on each team, so there is no restriction against straight mixed teams, families or complete lady rinks. Thirty-two rinks are resurred and thee will be

three events for cash prizes. Play can be spread over four days — so golf need not suffer! Let's all get one last bospital before the doors are locked on April 15th.

Ladies Curling Association

When I remarked a few issues back, that we would have to look to our laurels regarding Namao, I wasn't being prophetic. That's what happened tho': "A" event 1st prize and Grand Challenge Trophy, donated by Security Storage, went to a Lancaster Park rink skipped by Joyce Lothian. Jean Crozier 3rd, Terry Brooks 2nd, and Eunice McKay lead. Runner-up for the trophy was the Arlene Crozier rink from Lancaster Park, Louise Fuhr rink from St. Albert placed 3rd, and a Lancaster rink skipped by Lorna Hay took 4th prize. "B" even winners were Ev Jeffery rink from Lancaster; 1st prize; Reta Borle rink from St. Albert, 2nd, Inga Freeman rink (Griesbach) 3rd, and Joyce Cameron rink from Lancaster taking 4th prize. From here on we were more fortunate. The "C" event 1st prize went to Bess King rink, and 2nd went to Liz White rink. The "D" event also went to a Griesbach rink skipped by Corinne Lucas, and 2nd prize went to the Ivy Hight rink from Ardrossan.

A sincere thank you from our president Vera Hitchman to all those who worked so hard to make our second annual Bonspiel

tre success it was! Our secretary Eileen Mills, and treasurer Kay Hardage, who had an extra load to carry at this time; Jan Johnson and Yvonne Robitson who did a fine job on the social end; Joan Cobb for a great production entertainment-wise, (incidentally, we're losing Joan this summer, as "Scratchy" would say, "Sure gonna miss this gal"); Corinne Lucas for another successful raffle, won by Jo Goodfellow. A special thank you to Phyl Charles for keeping

the 'Comfort Station' in a pleasant condition, and last but not least, to our very charming guest of honour, Pat Millen.

To all those firms and business establishments that donated so generously, we say "Thank you". Without their support our Bonspiels would be sorry affairs.

STRICTLY FOR THE BIRDS

The Annual Badminton Playoffs for top honours began Mar. 12. The preliminary Men's and Ladies' Singles played on this evening proved to be a bitter struggle to the end. A great effort was put forth by these enthusiastic players but unfortunately everyone can't win. Those that made the Semi-Finals to be played Mar. 19 are as follows:

Ladies' Singles
Betty Confort vs Mary Nye
Men's Singles
Bob Confort vs George Debney

Also on Mar. 19 is the challenge of Men's and Ladies' Doubles. The competitions come to a close on the 26th Mar., with finals of all games announced.

Spectators are most welcome to watch these games.

Members please note that the Buffet Party and presentations will take place April 9, 8:00 p.m., in the PT Lounge. Lieut.-Col. E. M. K. MacGregor, 2 PPCLI has kindly consented to present the trophies and awards to the winners.

GGA ELECT '63 EXECUTIVE

A well attended general meeting was held on March 11. The elected Executive for this year is as follows:

President — WO2 A. D. James
Vice President — Mr. H. J. Jacobs

Secretary — S/Sgt. R. Ashmore
Treasurer — Sgt. Kelly.

The past president, Major Freeborn, introduced a Constitution and Bylaws for the future operation of the Association. These were discussed, and with minor amendments were accepted by the membership to govern the Association in the forthcoming season. A hearty vote of thanks was extended to Major Freeborn and the outgoing executive for their excellent year's work in the 1962 season.

Unit representatives have been appointed and a membership drive will start in the near future. The membership fee will again be \$2.00 and daily greens fee remains at 50c. Everyone is encouraged to join the Association and enjoy this healthy sport.

Following the meeting, Mr. A. R. Milbrath, formerly a S/Sgt. with 17 ROD, displayed examples of the excellent work he is now doing in the club refinishing business.

"ATTA BOY" — says WO I Regimental Sergeant-Major C. W. (Butch) Goodey to 13-year old David Stamp, paralyzed from the waist down since the age of four. Exercises prescribed by WO I Goodey have helped the young paraplegic victim to walk without crutches or brace.

National Defence Photo

CAMP BORDEN — "I didn't feel like it at first but my mother told me to try because it might be good for me," commented 13-year-old polio victim David Stamp about his gym training. The shy youngster, now a senior swimmer and trampoline expert whose skill on the parallel bars has won him awards in competition, agreed to be photographed in action — to show other crippled children

that they also might win some freedom from crutches and wheelchairs.

Paralyzed from the right hip down since the age of four, David learned his gymnastic routines through the patient after-duty instruction of Regimental Sergeant-Major C. W. (Butch) Goodey, formerly of Vancouver and Camp Chilliwack, B.C., at the Army Physical Training Center in Camp Borden.

A year and a half ago, David could only move from one piece of gym apparatus to the other by using crutches or crawling. Now he walks unaided by crutch or brace. At first, walking did create a problem because he couldn't put his right foot flat on the ground. An operation has corrected that condition.

Former Command Chaplain Retires

Lieutenant-Colonel M. J. D. Carson, CD, of Ottawa and Toronto, will retire from the Regular Army this spring after 23 years of service.

He leaves the appointment of assistant chaplain general (Protestant) in the office of the Chaplain General of the Armed Forces, March 14, where he is in charge of religious and moral training. Lieut.-Col. Carson will become the first full-time minister of Trinity United Church in Ottawa on his retirement.

NUTS and BOLTS

Personnel of 13 Coy. and 224 Workshop RCEME are now settling down after two hectic weekends of carousal and sport. The first event was the RCEME Valentine Dance and the other event was the Annual RCEME Curling Bonspiel.

The dance held 22 February, 1963, was a very successful affair, with good music and an excellent supper of barbecued chicken with all the trimmings.

On Friday evening 2 March, 1963, unit personnel from Edmonton departed for Wainwright to participate in the Annual RCEME Curling Bonspiel. One of the teams was composed of the ladies from 13 Coy and 224 Workshop Orderly Rooms. These ladies gave the men some stiff opposition. 13 Coy. Team composed of Major Cooper, Capt. Brown, Sgt. Marriott and "Skip" Cpl. Hank Cunningham reached the ultimate of their careers in curling by scoring the very elusive and much sought after "eight ender." This endeavour qualifies this team for the Corby Trophy. Congratulations.

We welcome back to the shop after an absence of four months. Cpl. Stevenson who has successfully completed his Gp. 3A Weapons Technician Conversion Course. Congratulations on a fine effort.

Canadian Scout "Lend a Hand"

KAMINA, The Congo — A Canadian pennant now bravely flutters over a troop of Congolese Boy Scouts thanks to the efforts of a sergeant of the Royal Canadian Corps of Signals stationed at Kamina in Katanga and a Winnipeg Cub Pack.

Sgt. Hector R. Gatien, 35, of 556 Melrose Ave., Winnipeg, a former scoutmaster, became friendly with a troop of local scouts at Kamina where he is serving with a detachment of 57 Canadian Signal Unit.

The scouts, sons of Congolese civilians working and living at the United Nations' huge camp, needed a troop pennant and appealed to Sgt. Gatien for help in getting one.

He wrote to his Cub Scout sons Paul, 10, and Chris, 8, and asked them and other members of Winnipeg's 61st Cub Pack to produce a pennant as a Pack project.

A Cub pennant, emblazoned with badges of the 61st Pack and the Boy Scouts of Canada, and an album of photos and autographs of the Winnipeg Cubs were sent to their Congolese comrades.

Sgt. Gatien, in a simple ceremony in front of the scout hut, presented the pennant and album to Scoutmaster Victor Ndaya for his troop. A serving soldier, Ndaya is a sergeant-major with the 2nd Battalion of the Congolese National Army on U.N. duty at Kamina.

To demonstrate their apprecia-

tion for the gift the scouts performed a Congolese dance for Sgt. Gatien and other Canadians of the Kamina detachment.

The Canadian sergeant was a leading figure in the dramatic evacuation of a party of seriously ill Congolese from the remote village of Kabongo to the hospital at Kamina recently.

TOWN TALK

The Feminine Side

By Irene Macdonald

Congratulations and many happy returns to the 'Bugle' on its fifth anniversary of publication. In five years, this paper has grown in size and distribution and now reaches many homes and camps across Canada and to Canadian troops serving overseas.

Where other camp publications have failed, the Bugle is still going strong due to the tireless efforts of the editors, advertising managers and people who contribute newsworthy items.

Well done, Griesbach Bugle! Best wishes for your future success.

While we are on the subject of birthdays, there must be quite a few mothers planning parties for five year olds in the near future. Here is a suggestion for something a little different — why not make it a real 'Wild West' party. Invitations may be made by cutting out a 'pistol' in cardboard and the message inside

could read:

"Wear dungarees and bring your guns,
Watch out for bad men and 'injuns'
Big corral, Tuesday at 3
At Billy's western ranch Bar B."

Pin a sheriff's badge on your birthday boy or girl, and provide a box lunch as a unique way to surprise the children at "grub" time. The lunch can be packed in "chuck wagons" made out of covered shoe boxes, with cardboard wheels and crepe paper for the covered top. Bananas with a brand name for each guest would make novel place settings, and brown paper holsters will hold napkins, ice cream spoons, straws, etc.

After eating, the cowboys and girls might enjoy sitting around a make believe campfire and singing their favourite western songs, with a sing-along record.

Palm Sunday

Ruth S. Daniels

The Prince of Peace was come to stay,
They cast their palms along the way,
And all the glad Hosannas rang,
"Christ is King," the people sang.

No shining chariot did He ride,
Nor royal robes — but sat astride
A humble ass — His garments poor,
But He was King! — and this was sure.

They opened wide the city gate.
Rich and poor they all did wait;
At last the King of Glory came
To redeem this world of shame.

Can we not be more like Him,
And humble he — His praise to win?
Let hearts be glad, the day is nigh,
The King of Glory rides on high!

Why not let our good deeds shine,
Like palms we cast before His shrine?
Open wide our gates of sin —
And let the King of Glory in.

Mothers' Auxiliary Meeting

The regular meeting of the Cub and Scout Mothers' Auxiliary will be held in the Staff Room of No. 1 School on Tuesday, April 9th, at 8:30 p.m. All interested ladies are invited to attend.

Homeward Bound

EDMONTON, Alta. — Major C. D. Nickerson, MC, CD, of Mahone Bay, N. S., will be posted to Eastern Command headquarters in Halifax, N. S., at the end of this month to take up the appointment of Assistant Command Chaplain (P), Eastern Command.

He has been Area Protestant Chaplain, Alberta Area, in Edmonton since 1960.

Leaving university and joining the infantry as a private soldier, Padre Nickerson was later commissioned. He served with the Princess Louise Fusiliers in the United Kingdom and Italy, was wounded during the assault on the Hitler Line and awarded the Military Cross.

He was wounded again at the Gothic Line, losing his left arm in that action. After being discharged from the hospital he re-entered university to complete his theological studies and was ordained in 1947.

Returning to service in 1951, Major Nickerson has served in Petawawa, Oakville and Halifax before coming to Edmonton.

Accompanying Padre "Nick" in the above photo is Mrs. Nickerson and their children (left to right), Joan, Jim, Jane and John. They will remain in Griesbach until the end of the present school term when they will join the Padre at Halifax.

2551 PPCLI Cadet Corps

Conduct Ex "Trailbreaker"

On January 4th, 1963, Alberta Area informed the Corps that authority had been granted for Cadet Corps in Alberta to conduct a week-end exercise between January 5th and March 5th, 1963. This exercise was to be in addition to the normal annual weekend exercise conducted every spring.

After some discussion between the Commanding Officers of PPCLI and 2 PPCLI, a scheme was devised whereby 2 PPCLI would provide the Corps with arctic clothing and equipment, transport to and from the exercise area and trained arctic instructors. PPCLI Depot, the Corps sponsor, would provide some arctic clothing as well as indenting for the authorized rations.

The exercise, which was named "Ex Trailbreaker", would be held February 23rd and 24th, 1963, and would be intended to familiarize cadets with the use of Canadian Army arctic clothing and equipment.

Preliminary training, in which all cadets participated, was held on February 9th and 16th in the Hamilton Gault Barracks. Subjects taught included principles of arctic clothing, care, use, wearing — snowshoeing — lamps, stoves, cooking equipment — loading and lashing toboggans — erecting tents — tent routine and trail discipline.

After reconnaissance by Lieut. R. H. Scott, the Cadet Liaison

Officer, Lake Isle, approximately 45 miles west of Edmonton, was selected as the exercise area.

The Corps departed from Edmonton at 1030 hrs., February 23, arriving in the exercise area at approximately 1230 hrs. After an approach march of one mile on snowshoes, camp was set up on the lake in the lee of Rock Isle. While the cadets prepared the bivouac area, two instructors began boring holes in the ice for fishing, using an ice auger rented for the purpose.

When camp was fully set up, all cadets and instructors began fishing. The catch was not as heavy as it might have been. The total was approximately eight jackfish and a smaller number of ling. Although no one cared for the ling, the jackfish provided a welcome snack.

The cadets gained some experience in field cooking. Tent group equipment included stoves, pressure cookers and cooking pots. The rations were fresh rations with some tinned vegetables and fruit. The cadets seemed to enjoy cooking and although the usual number of questionable concoctions were prepared, the food on the whole was quite palatable.

The weather was very mild throughout the exercise, with the temperatures in the 40 degree range. Although this factor detracted from the value of the lessons to be learned from the use of arctic clothing and equipment,

no one seemed to mind. Unfortunately, with the thaw conditions as they were, the tents and all clothing soon became quite wet. This did not cause any undue discomfort but did cause some consternation to the QM staff when clothing was returned, since the cadets had had no opportunity to dry it.

The exercise was very popular with everyone who attended and was successful in achieving its aim. All cadets achieved a fair degree of proficiency in the use and care of arctic clothing and equipment. The Corps wishes to thank the Depot and Second Battalion for all the assistance which was given. Without this help the exercise could not have been held.

DEPENDENTS VOTING BOOTH IS LOCATED AT NO. 1 SCHOOL GRIESBACH AND OPEN ON APRIL 8th FROM 8:00 A.M. TO 7:00 P.M. VOTE AS YOU PLEASE, BUT PLEASE VOTE!

HOW OBSERVANT ARE YOU?

(See page 11)

The two pictures vary in the following respects: 1. Position of hat on right. 2. Shape of driving mirror. 3. Rear mudguard of lorry. 4. Length of rhino's horn. 5. Dust cloud below rhino. 6. Hair of left soldier on cab. 7. Right soldier's left boot. 8. Depth of lorry side. 9. Left end of bumper. 10. Registration letters.

You might call it 'play money'. Junior... judging the way your mother spends it!... Now put back that wallet!

Depot Officer Posted

EDMONTON — Lieut. R. H. Scott of Ste. Rose du Lac, Man., was posted to the 1st Battalion,

Princess Patricia's Canadian Light Infantry in Victoria at the end of March.

He had been a platoon commander with the PPCLI Depot in Edmonton since 1960.

Receives RCE Appointment

Captain K. R. Welsh, of Edmonton and Calgary, Alta., has been promoted to the rank of major and appointed a deputy assistant director of Works at Army Headquarters.

An officer in the Royal Canadian Engineers, and a graduate of the University of Alberta, he has been attending a technical staff course at the Royal Military College of Science, Shrivenham, England for the past two years.

13 Company RCASC News

With St. Patrick's Day safely behind us, we are now looking forward to Easter, elections and the ecstasy of Spring.

Ten company members are now sporting new RCEME badges including Corporals Johnson, McAfferty and Pte. Lessard, from Edmonton Transport Section. Others have been heard making discreet inquiries from RCOC budees about life in that corps as the hand over of supplies and POL draws ever nearer. The first stage is the hand over of "Miscellaneous RCASC Supplies" beginning with the new fiscal year. Then comes (or goes) the Bulk Supply Depot by the end of the year and eventually the Detail Issue Depot with its food and POL functions.

Now if we can just coax the Engineers into taking over fuel and swill contracts, reactivate the Corps of Military Staff Clerks and create a separate Catering Corps, we could sit back and concentrate on transport, movements and perhaps a little golf!

Comings and Goings:

Welcome to Cpl. "Duke" and Mrs. Winchester, avid softballers both, from Germany. Congratulations to Sgt. Quigley on promotion and posting to Headquarters 1 CIBG, and happy sand-dunes to Pte. George Donaldson who heads for Egypt in April.

Named Special Assistant To MND

Lieutenant-Colonel A. S. Christian, MC, CD, of Winnipeg, has been appointed special assistant to the Minister of National Defence.

An officer of The Fort Garry Horse, Lieut.-Col. Christian was seconded to the Department of Veterans Affairs for employment in late 1960. He will continue to be seconded from the Canadian Army while employed in his new appointment.

PPCLI NEWS

OFFICERS' MESS

Activities in the Officers' Mess during the past month has been limited to bidding farewells. On 26 February, 1963 the Mess bid adieu to Lt. Chris Smith, Lt. Harry Bloom and Lt. Bill Boll as they departed for Victoria and the 1st Bn. PPCLI. With postings, courses and the Part I study concentration in Camp Wainwright social activities have come to a standstill.

Events scheduled for later this month are the Annual Mixed Dining In Night on Saturday, 16 Mar. on the occasion of the Birthday of the Colonel-In-Chief and a dinner on Monday, 18 Mar. 63 in honor of Brig. G. A. Turcot, CD, Director General Military Training. Details in the next issue of the Bugle.

SGTS' MESS

The Mess activities during the month of February were practically nil with a large percentage of the members away to Alaska on exercise. By all accounts the temporary Mess in Alaska was a success and some enjoyable evenings were spent with several of the American Sr. NCOs.

Heartiest congratulations to WO 2 Dodd on his promotion. Many changes in personnel will be effected in the near future, the forerunners of which are Ssgt. Camilleri and Sgt. Payne who left on posting to the First Bn. to accom-

First Communion — May 26th, at 9:00 a.m.

Confirmation for adults — June 2nd, at 7:30 p.m. in St. Joseph's Cathedral.

C.W.A.

The C.W.A. meeting of March 5th was chiefly devoted to the final arrangements for our Monster Bingo to be held on March 29th at Griesbach School No. 1, in the Auditorium.

Tickets are now on sale and may be purchased from any member or by phoning Mrs. Van Der Linden, 477-7692.

A lovely table lamp will be given as a door prize at the Bingo. This was donated by Mr. Comrie of Direct Home Furnishers.

Our thanks to him for his generosity.

For those who want to eat their way to the Jack Pot, candy will be on sale as well as coffee and soft drinks. Each member has been asked to contact three other parishioners to help by donating their favourite confections, squares or popcorn. If you have not yet been asked, please feel free to give. Items for the sale should be left at the Chapel on Thursday, March 28th, the day previous to the Bingo.

Thank you notes were received from the St. John's C.W.A. for the Theatre Party get-together held last month, and also from Mrs. Camillerie for the gift she received on leaving Griesbach.

Names of volunteers were taken to help with the Red Cross Blood Donors' Clinic and the Cancer Daffodil Sale to be held March 29th and 30th.

See you at the Bingo!

When Did Christ Rise from the Dead?

Christ rose from the dead, glorious and immortal, on Easter Sunday, the third day after His death.

Christ had often foretold His resurrection. He said of His own body: "Destroy this temple, and in three days I will raise it up." Before entering Jerusalem He said to His Apostles that He would be put to death and "rise again on the third day." On the night of the Last Supper He said: "But after I have risen, I will go before you into Galilee."

Even His enemies knew that He had predicted His resurrection. This is why they obtained Pilate's permission to seal the sepulchre and set guards to watch it. They said to Pilate: "Sir, we have remembered how that deceiver said, while he was yet alive, 'After three days I will rise again!'"

Christ really arose from the dead. For forty days He appeared to many. He conversed, walked, and even ate with them. He spent much time instructing the Apostles.

One of His most important appearances was to five hundred disciples on a mountain in Galilee, when He gave the Apostles the command to go forth into the world and teach. The Evangelists have recorded nine apparitions; but it is evident from their writings (for example, Acts 1:3) that there were other and unrecorded occasions when Christ appeared. Countless of Christ's followers laid down their lives in testimony of the truth of the resurrection. During forty days appearing to them and speaking of the kingdom of God."

Today the entire Christendom celebrates Easter Sunday in memory of the Resurrection. It is the Feast of feasts, commemorating the completion of our redemption by Christ.

Easter is celebrated on the first Sunday following the first full moon of spring; the feast therefore is moveable, and can fall between March 22nd and April 25th. The Paschal season lasts till Trinity Sunday; till then the joyous alleluia resounds.

Padre Nickerson Leaves Griesbach

Major the Rev. C. D. Nickerson, MC, CD, will leave Edmonton for Halifax at the end of April to assume the duties of Assistant Commandant Chaplain (P) Eastern Command.

As Area Chaplain (P) Alberta Area, Padre Nickerson has had a wide contact with the Militia Chaplain and clergy of this province. In carrying out his duties as Senior Garrison Chaplain (P) he has given faithful service to the units located in Griesbach.

Humble devotion and obvious sincerity have marked his ministry at St. John's Chapel.

It would be difficult to mention any worthwhile activity of our military community that has not benefited from his active concern.

But those who will miss him the most of all, are the people who came to him in deep distress. For more than any other quality, Padre Colin Nickerson, will be remembered as a good friend.

He and his family, who have made such a worthwhile contribution to the life of our garrison, take with them our grateful thanks and our affectionate good wishes.

NOTICE OF SERVICES

Communicants are reminded of the extra opportunities afforded for Holy Communion during Lent, Holy Week and Easter Day, and that they should make every effort to have Communion during this period. The Wednesday morning Holy Communion during Lent are followed by breakfast in the Chapel Conference Room at no charge.

Confirmation Services

The United Church Confirmation Service will be held on Palm

Sunday, 7 April at 8 p.m.

The Anglican Confirmation Service will be held in St. John's Chapel on 21 April at 7 p.m.

The congregation is asked to make a special effort to attend these services and so support those being confirmed with their presence and prayers.

Good Friday

There will be morning meditation at 11:00 a.m.

Good Friday night, 8 p.m., the Intermediate and Senior Choirs of St. John's Chapel will present Stainer's Crucifixion. This is a meditation in song on the Sacred Passion of the Holy Redeemer. The Choirs have been working long and faithfully on its preparation and the Chaplains urge the support of the whole congregation by their attendance.

Easter Sunday

It has been decided this year to have two Easter morning services besides the normal Holy Communion services. At the 10:00 a.m. service the Junior Choir will sing and at the 11:00 a.m. service the Intermediate and Senior Choirs. It is hoped by having the two services that the 11:00 a.m. service will not be over crowded as was the case last year.

Please note Easter Sunday is family Sunday and no Sunday School will be held. Children are asked to attend Chapel with their parents.

DEPENDENTS VOTING BOOTH IS LOCATED AT NO. 1 SCHOOL GRIESBACH AND OPEN ON APRIL 8th FROM 8:00 A.M. TO 7:00 P.M. VOTE AS YOU PLEASE, BUT PLEASE VOTE!

These days you have to pull a few wires to insure an education for Junior! Hi-fi, television and ignition.

St. John's Chapel Women's Auxiliary

The ladies of the St. John's Chapel Women's Auxiliary would like to say a very sincere "thank you" to all who turned out for the family bean supper on March 2nd. It was indeed a pleasure to see so many present, it exceeded our expectations and at this time we would like to offer an apology to anyone who was kept waiting.

Our next meeting will be held on Tuesday April 9th at 8 p.m. in the Chapel Conference Room. Each member has been asked to bring an Easter bonnet of her own creation, so this should be something to see. The bonnets will be judged and prizes awarded. Hope to see you at our next meeting.

THE POWER OF THE CROSS

In the last few years the advances in scientific knowledge have been outstanding. Today man lives in an age when we hear much about nuclear energy and the new development of propulsion which can lift man into space and whirl him about in the realm of the planets. When we think of these things and others we are amazed at the tremendous power man has at his disposal for good or evil. However, there

is another power greater than them all — the power of the Cross.

As man discovers these new powers which can be used for good or evil we see more clearly than ever what the Cross is all about. On that first Good Friday God in Christ struggled with the evil of the world and by his subsequent Resurrection was victorious over sin, the world, and the devil. The cross reveals the purpose of God and what He will do to reconcile the world unto Himself — the highest love we know. The transforming power of the cross is the love God has for His creation.

In our world where there is much hate, mistrust, fear and suspicion this wind of love speaks of hope and new life. We need to pray that the kind of love revealed on the Cross should be the love that motivates our lives in our relationship with God and our neighbors.

On April 14th the church commemorates once again, the Resurrection of our Lord Jesus Christ. The glorious Resurrection tells us that God in the person of his Son Jesus Christ, has won the victory for us over death and sin. Also, that we worship and follow a living God who has given us the Way, the Truth, and the Life. Let us all strive to follow Him the Risen Lord.

RCOC ADOPT PATRON SAINT

The Royal Canadian Ordnance Corps has officially adopted Saint Barbara as the patron saint of the Corps and plans to hold appropriate celebrations annually on Dec. 4, the Saint's recognized festival day.

St. Barbara is now the patron saint of the British Army's Royal Army Ordnance Corps and Royal Artillery, as well as the Royal Canadian Artillery. Traditionally, she is the patron saint of gunners, miners and others who handle explosives.

Living during the third century A.D., St. Barbara was the daughter of a heathen who beheaded her for professing Christianity. He was struck by lightning as a punishment, so the legend goes, and it is from this that the association of St. Barbara with thunderstorms and explosives is derived.

In religious art, St. Barbara is usually shown as standing beside a tower with three windows representing the Trinity, with a cannon nearby.

Griesbach Sgts' Ladies' Club

The monthly meeting of the Sergeants' Ladies' Club was held in the Sergeants' Mess on February 27th.

It was nice to see so many members present, 21 in all, which included 5 new members.

After our business we enjoyed several games of bingo. The door prize, a food hamper, was won by Mrs. Doris Dion.

Once again, may we mention that the welcome mat is always out for new members, and to the new families in Griesbach we extend our most cordial welcome, fourth Wednesday of every month.

Hope to see you all at the next meeting.

Practice Diving Technique

SOEST, Germany — Skin-diving soldiers of Canada's NATO Brigade in Germany carried out advanced training at the German Navy's submarine and diving physiology institute in Kiel on the Baltic Sea recently.

Fifteen members of the Canadian Brigade Free-Diving Club underwent two "dry" dives in a decompression chamber to simulate the pressures which the body is subjected to at depths up to nearly 300 feet.

The pressure tolerance tests carried out to demonstrate to the Canadian divers that the body can withstand abnormal pressures without adverse effects as long as adequate safety measures are observed. The soldiers had the opportunity to apply the principles of diving physics and diving medicine learned through lectures over the last few months.

Eight men at a time, including two German Navy personnel, entered a 14-foot long steel cylinder with a smaller compartment at one end in which emergency medical treatment could be carried out. In the first 20-minute "dive", the men experienced the pressure that would affect them at a depth of 132 feet. In a second simulated dive to 264 feet lasting 90 minutes, they experienced various body reactions ranging from the effects of nitrogen narcosis to the breathing of "thick air."

"Brits" To Train In Canada

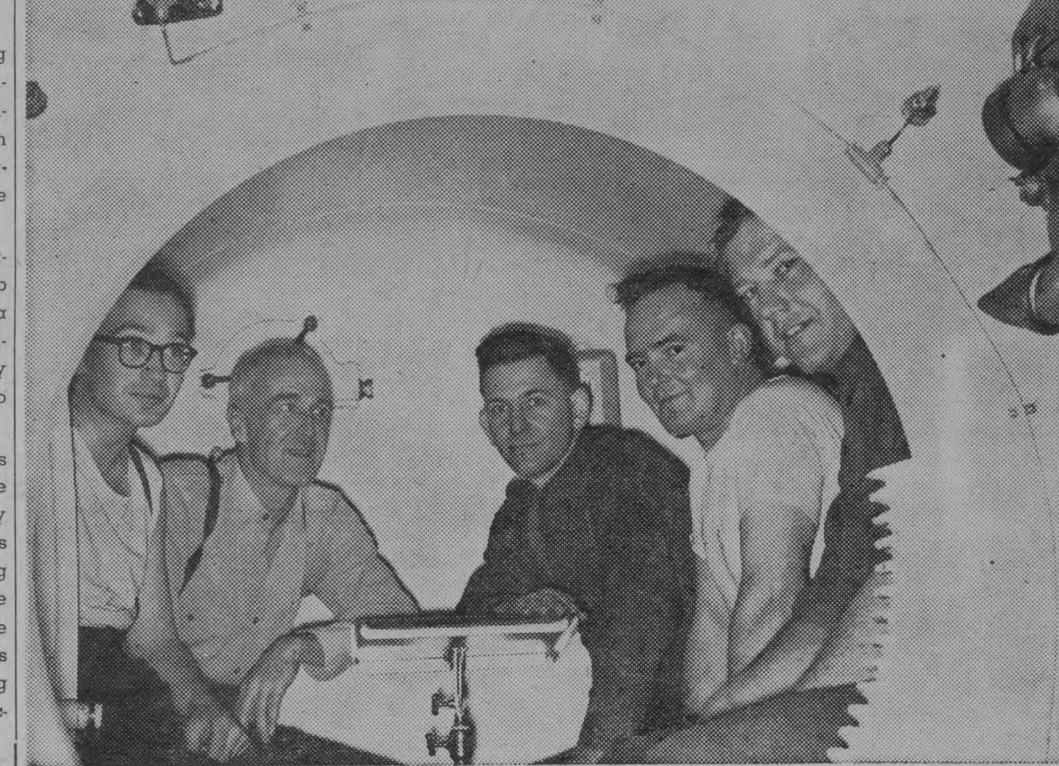

Further details are now available concerning British Army soldiers who are to train in Canada during 1963 and early 1964.

Main unit will be a battalion group based on 1st Battalion, The Queen's Own Buffs, the Royal Kent Regiment stationed at Colchester, Essex, England. This battalion will fly to Canada early in June and train at Camp Gagetown, N.B. It is commanded by Lt.-Col. H. B. H. Waring, MBE.

The battalion is affiliated with three Canadian infantry regiments — in the Regular Army with the Queen's Own Rifles of Canada whose home station is in Calgary, Alta., and in the Militia with the 1st Battalion, Royal New Brunswick Regiment (Carleton and York) with headquarters at Saint John, N.B., and the 1st Battalion, Essex and Kent Scottish Regiment at Windsor, Ont.

A corps field engineering squadron will train at Camp Gagetown, N.B., from May 1 to June 15.

In Western Canada an armored reconnaissance squadron of the Life Guards will train at Camp Wainwright, from the middle of

INSIDE THE "POT"

Canadian and British soldier divers prepare for the first "dry" dive in the recompression chamber at the Submarine Diving and Physiological Institute at Kiel. The dive was designed to determine the individual ability to tolerate pressure and the effects of nitrogen narcosis at 80 metres (264 feet) depth. The men were exposed to an equivalent pressure of 150 tons at the "bottom" of the dive.

Left to right: Capt. Robin Stevens, HQ 1 (British) Division, Sup-Aqua Club; Col. Al Kerr of Montreal, senior Medical Officer of 4th Canadian Infantry Brigade Group and a member of the Canadian club; L/Cpl. Al Laurent of Sherbrooke, Que., Canadian Provost Corps; Cpl. Gerry Pearson of Richmond Hill, Ont., 4 Field Squadron RCE, and L/Cpl. K. Grimshaw, 6 Infantry Workshop, REME, British Army Sub-Aqua Club.

(National Defence Photo)

June until the end of July. This training will be in conjunction with the summer concentration of 1st Canadian Infantry Brigade Group.

Later in the year a battery of artillery will take cold weather training from mid-November to mid-December at the Royal Canadian School of Artillery at Camp Shilo, Man.

In February of 1964 a parachute company will undergo winter

parachute training at the Canadian Joint Air Training Centre at Rivers, Man.

All British units will be flown from the United Kingdom by aircraft of the Royal Air Force air transport command and will return the same way.

Complets Congo Tour

OTTAWA — Full-time soldier and part-time teacher, Sergeant M. R. (Moe) Lynn, CD, of Edmonton and Saskatoon, has returned to the Alberta Signal Squadron after a tour of duty with 57 Canadian Signal Unit of the United Nations Force in The Congo.

Outside his normal duties with the signal detachment at Albertville in the province of Katanga, Sgt. Lynn voluntarily taught English to Congolese boys at the Institute Pius XII, a missionary school in the town.

The classes were held two or three times a week. On one occasion he took his class of 19 boys to see a U.S. Air Force "Globemaster" plane at the Albertville air port. Afterwards the students were asked to write composition in English on their impressions of the aircraft.

Sgt. Lynn is a communications man of long and varied experience including 11 years on the Army's former Northwest Territories and Yukon Radio System. He left the service in 1954 and became a bush pilot in northern Canada. He re-enlisted in the Royal Canadian Corps of Signals in 1960.

Before his departure from the

African republic, he was presented with the Congo Medal by the commander of the signal unit, Col. W. S. Hamilton.

Sgt. Lynn's father, Mr. Norman Lynn, lives in Saskatoon. His wife Lois, and their family reside at 10915 - 135 St., Edmonton.

HOLD CANADIAN ARMY SKI CHAMPIONSHIPS

Eighteen officers and other ranks representing Army Ski Clubs in Victoria, Calgary, Edmonton, Regina, Rivers, Winnipeg and Shilo made up the Western Command Team at the Canadian Army Ski Championships held at Camp Valcartier, 15 - 17 March, 1963.

Lieut.-Col. Watson, Command Ordnance Officer, and LCpl. R. H. Anderson, LCpl. L. O. Berg, Pte. D. I. Holopainen, Pte. E. J. Johansen and Pte. E. Lavallee, all of 2 PPCLI, made up the Griesbach Ski Club contingent.

LCpl. Berg took first place in the downhill event which was entered by 72 competitors. The Griesbach Ski Club comprising LCpls. Berg and Andersen of 2 PPCLI and Lieut.-Col. R. D. Watson of HQ Western Command placed third out of sixteen clubs entered.

The 2 PPCLI biathlon team of LCpls. R. H. Andersen, Pte. D. I.
